OUR VISION, OUR MISSION

Vision:

The College was established with the vision of making quality education accessible to the economically disadvantaged student community of the greater Sipajhar area. It aspires to nurture and promote the potential of its students to the fullest extent.

Mission:

- To empower socially, economically and educationally marginalized sections of the rural society of the region.
- To make the students knowledgeable, cultured & responsible citizens.
- To cultivate national integrity, social awareness, scientific attitude, and self-esteem among the rural students through appropriate education.

DEPARTMENTAL ACTIVITIES

DEPARTMENT OF ASSAMESE:

The major course has been introduced in our college in the year 1985. The sole aim of the opening honours course in Assamese in the college is to meet the just demand of students community. The prime objective of this department is to inspire the students through imparting knowledge of Assamese culture, literature and language of nativity in addition making them well equipped with the course contents prescribed in the syllabus, we are happy to mention that our students of honours course stood first class from Gauhati University. We also happy to mention here that a good number of honours students of department and discharging their duties in various posts such as lecturers, subject teachers, journalist, teacher etc. we will try to give knowledge to our students about the cultural heritage of Assam through books, survey, case study, educational tour, cultural activities etc. We plan to form a 'Reader's Society or 'Book Club' among the students who are willing to gather knowledge in this field by giving special library facilities in our department. We believe that language is more than just language it is a cultural transmitter. Language and communication are essential for close relationship between people, for mental understanding, social interaction and fruitful business contacts. So, we will give more emphasis on language knowledge. The aim and objective of the department is to guide the students to become enlightened members in the society.

To achieve the aim and objectives the department of Assamese tries :

1. To conduct seminars, conventions and literary discussions.
2. To impart training in Assamese Folk Song, Folk Dance, Dramas etc.
3. To make all round development of Assamese language, literature and culture.
4. Publication of research works.
5. To promote study, criticism research and field studies.

DEPARTMENT OF ECONOMICS:

The Sipajhar College was set up to meet the academic aspiration of the economically and socially backward student's community of the area and the department of Economics also had been trying to explore the academic talents from the students. The subject Economics as an

academic discipline in the college was introduced from the establishment of the college in 1971 with the provision of teaching only in the Higher Secondary Course. Under Graduate course of the subject was introduced in 1980. The Major Course in Economics was opened in the year 1993 with a view to fulfill the academic needs and aspirations of the poor students of this rural locality. From the beginning, the faculty members of the department had tried to provide need based education with right way to the students for their higher education. Therefore, every year, the students of the department of Economics had been showing expected results since a long year. The passed-out students of the department have been engaged in different governments, semi-governments as well as private sectors as their main occupation. Through the guardian meeting in every academic year, the faculty members of the department have been trying to find out the problem of students and meet up the problems in different short-term as well as long term policies within a stipulated period of time. The department has linked with Alumni-Association and the association has been sharing their career oriented as well as other useful views among them which is one of the most important characteristics of the department. With the initiative of former head late Dwijendra Nath Talukdar a wall magazine named SNOW BROOK was published at the first time which is still has been publishing in every academic session by the students. Besides this, a departmental mouthpiece named RESOURCE, has been publishing since 2016. A Photo Gallery also made by the students in collaboration with teachers to focus different departmental events as a record for new comer students at the college since 2015. The department has its own computer with HP printer where all the course related works, Career Advancement for the teachers can be done. We have also broadband connection with Wi-Fi network. From 2014 to 2022 from our department was secured 43 no. of students first class holders. In 2015 our student name Aparupa Sarma got best graduate award from Darrang-Udalguri zone. Thus we are trying to give academic support to our students.

Departmental Library:

The department has four bookshelves housing multiple copies of textbooks, reference books, history books and dictionaries to be availed by students of the Honours Course from 1st Semester through to 6th Semester. The library also contains extra-syllabus books, novels, philosophical treatises and other nonfictional works with a view to pique the interest of students in other texts and narratives and explore avenues beyond what has been prescribed in the syllabus. The department library also keeps multiple copies of textbooks of the Pass Course and AECC which can be availed by students upon need. The department maintains certain rules when it comes to lending books to the students. Every student can borrow not more than two books at one time. They can keep the books with them for a period of two weeks after which they have to return the texts. If any student wants to study the borrowed texts for a bit longer, they simply need to re-issue the books. A register book is maintained for that purpose as a form of record-keeping. A nominal fee is paid by the students to avail of the departmental library services. It is instructed to the students beforehand that they should handle the borrowed books with care, see to it that no damage is done and return them on time. A major part of the department library is stocked with books donated by the teachers of the department.

DEPARTMENT OF POLITICAL SCIENCE**About the Department**

Sipajhar College which was founded in 1971 as the only institution for higher education in the western part of Darrang District offered honours in Political science in 1986. Subsequently, the department of Political Science got its own identity. The department started with two girl students in 1986. Then the department was headed by Mr. Kanak Ch. Deka. Dr. Dibakar Chandra Das who was then a permanent lecturer in the department along with Mr. Kanak Ch. Deka worked tirelessly to make the subject popular among students. At that time, the department had another faculty member namely Mr. Dugdharam Saharia. Later Mr. Hali Ram Rajbanshi, Mr. Biman Hihingia and Ms. Asha Sharma served the department as lecturers. Department's alumni Depak Kumar Nath also worked in the department as a part time lecturer for a very short period. Later Mr. Imran Hussain and Mr. Sailendra Saharia joined the department as permanent faculties. Mr. Balo Ram Nath worked as a part-time lecturer at the department for a few years. Dr. Simanta Prakash Boruah joined the department as a permanent faculty member following the retirement of Mr. Kanak Ch. Deka. Dr. Dibakar Ch. Das retired, and Mrs. Manasi Hajowari joined the department to fill the position left vacant by Dr. Das' retirement. Ms. Anjuma Begum and Ms. Jaan Moni Rabha also worked in the department as part time teachers for a few years.

The department successfully commemorated its Silver Jubilee in 2011 by organising a seminar in presence of eminent academics like Prof. Niru Hazarika and Dr. Nagendra Nath Sarmah. In addition, gatherings for alumni, general meetings, cultural exhibitions, and cultural programmes were organised to mark the Silver Jubilee of the department's founding.

The department produced its first class holder for the first time in the year 2004. In this year, Mr. Balo Ram Nath secured First Class Ninth position in Gauhati University BA examination with political Science Major. Since then, the department has produced a sizable number of first-class graduates with political science as their major.

A good number of graduates from the department have held a range of jobs across the country. They consist of those who operate in the legal, academic, and teaching fields.

The Departmental Library is one of its assets. In 1996, the departmental library was founded with a fairly small collection of books. Mr. Dharani Saharia, a department alum, gave the department a sizable donation of volumes, which allowed the departmental Library to open for business. In 2011, the library's collection of volumes expanded by about 500. In 2011, Mr. Jit Sarmah, another alumnus, gave the library a donation of Rs. 10,000. There are now 1622 registered books in the library. The ability to borrow two books at once over a 15-day period is a big aid to the pupils. They have the option to have them reissued for a further 15 days after returning them. A faculty member of the department is responsible for maintaining the departmental library.

Since 2013, the department has been publishing "Ideas: A Journal of Multidisciplinary Thoughts" with an ISSN of 2320-6225. The advisory group is composed of Professor Sandhya Goswami, Professor Subham Rajkhowa, Professor Dhruba Pratim Sharma and Professor Jayanta Krishna Sharma from Gauhati University, Professor Gautam Chakma from Tripura University, Professors D. J. Bhoumik from North Bengal University and Dr. Pradip Ch. Deka, the principal of Sipajhar College. Dr. Dibakar Ch. Das had been in charge of editing from 2013 to 2021. Mr. Imran Hussain, Mr. Sailendra Saharia and Dr. Simanta Prakash Boruah continue to serve as members of the editorial board.

Mission of the Department

- The mission of the Department of Political Science is to Educate students for a life of fulfillment and accomplishment.
- Create and translate knowledge to meet societal needs.
- To communicate the knowledge of political science as a scholarly discipline through education of undergraduate in the core principles and specialties of political science, to develop new knowledge in the field through critical research and scholastic inquiry.

- To prepare adequately competent students who understand and apply concepts, theories, and methodologies from different sub fields of Political Science to make sense of the world around them.
- To familiarize students with the latest developments in the discipline and enable them to acquire substantive knowledge of institutions and processes of government that shape politics within and among nations.
- To help students relate class room instruction to the political processes outside the class, and contribute to knowledge-building through a commitment to equity, inclusiveness, diversity and concern for the environment.
- To culminate democratic values and ethics into the minds of the students.
- To create the atmosphere among the students for national integrity, unity and secularization.
- To apply the knowledge of political science to serve the needs of the Commonwealth of India and beyond.

Vision of the Department

The Department of Political Science aims at equipping students with in-depth knowledge and intellectual tools to engage with the global and India-specific issues and challenges arising in the arenas of politics, political processes and political ideas. It aims to provide them with learning experiences and theoretical deftness that prepare them to understand socio-economic and political phenomena in all their dimensions, which is comparative and context-sensitive. To fulfil this goal, it has designed various programmes and courses balancing specializations with interdisciplinary approaches. Through different pedagogical methods, the Department seeks to enhance students' subject specific knowledge along with their ability to think critically. The Department affirms its commitment to equity, inclusiveness and diversity without compromising academic rigour in the context of the global commitment to sustainable development, rights of the marginalized and ecological diversity and conservation. We strive to create a vibrant and diverse community, characterized by collaboration, creativity, an unwavering commitment to excellence and an equally unwavering commitment to exhibiting respect for one other. We aspire to be a model for what our society can be.

Departmental Library

The Departmental Library is one of its assets. In 1996, the departmental library was founded with a fairly small collection of books. There are now 1622 registered books in the library. The ability to borrow two books at once over a 15-day period is a big aid to the pupils. They have the option to have them reissued for a further 15 days after returning them. A faculty member of the department is responsible for maintaining the departmental library.

Library:

We have a departmental library in our department consisting about 40 numbers of books which are used by our students. We maintain a library registrar for keeping records of issue and return of books. Books are issued for a specific period so that every student gets the opportunity to make use of them.

Departmental initiatives for student's involvement and support:

The department has taken initiative to create a scientific temperament among the students through different practical's so that they got encouraged for scientific research. To enable our students digitally equipped with different ICT tools and improve their presentation ability as well as encourage them to participate in different departmental and other virtual competitions. Department has also taken initiative in engaging students in different outreach and awareness programme to the society.

DEPARTMENT OF CHEMISTRY

About the department:

The Department was first initiated in the year 2018 with the prime motive to bring out some academic excellence in science. Besides academic interest the department also aims at sensitizing the young minds with scientific attitude. It also encourages different collaborative works and exchange programs with nearby institutions including different academic/Research institutions such as IIT Guwahati, Tezpur University, Gauhati University and Assam Science Technology and Environment Council (ASTEC).

Faculty Members:

- Dr. Aswini Kalita Assistant Professor, HOD
- Dr. Pankaj Gogoi Assistant Professor
- Mr. Lakhminandan Goswami Assistant Professor

Departmental laboratory

There are two experimental laboratories and one instrumental laboratory. All the laboratories are well equipped with running water and gas pipe-lines. Nine numbers of storage cabinets for chemicals, glass-wares and apparatus are there with locker facilities.

Instruments like double distillation setup, research polarimeter, melting and boiling point apparatus, UV-Vis spectrophotometer, ultra sonicator, centrifuge machine, orbital shaker, magnetic stirrer, turbidity meter, water testing kit, qualitative arsenic testing kit, hot air oven, chromatographic chamber, heating mantle, P^H meter, conductivity meter, etc. are available in the instrument room.

Departmental Library

The library is the backbone of the academic activities of the department and plays a vital role in teaching, learning and research. The library has text books, reference books, research journals and question papers that are used and taught in the classes, even there are facilities that students can borrow the books. At present, there are 180 numbers of books are available in the departmental library.

DEPARTMENT OF MATHEMATICS**1. Details of the department****➤ About the Department:**

The Department of Mathematics, Sipajhar College was established in the year 2018 together with the inception of the Science Stream of the College. As far as the academic programme of the

department is concerned, it offers 3-year B.Sc. course with Mathematics as Major and General as well, which started functioning from the academic session 2018-2019. The department consists of a dedicated classroom for holding major classes, a computer laboratory and a small departmental library.

➤ **Vision of the Department:**

To centralize mathematical knowledge in the educational program, impart explanatory and logical thinking among students and to achieve excellence in teaching in order to make it as one of the premier departments of the college and it will always strive to succeed in this endeavor.

➤ **Mission of the Department:**

1. To create an environment where the faculties continue to grow as a teacher as well as a learner.
2. To provide an environment where the students can avail a good knowledge on mathematics and its application and enabling them to grow as scientific and logical thinkers.
3. To encourage students for participation in scientific forums and seminars.
4. To encourage students in developing project skills and presentation skills, and also to make students socially active.

➤ **Faculty Strength:**

The department has three regular faculties, one having the honourable PhD degree and the rest two are pursuing their own Ph.D programme. The details of the faculty members are as follows:

- | | |
|--------------------------|--------------------------|
| 1. Mr. Rupam Haloi, | Assistant Professor, HoD |
| 2. Dr. Suman Agarwalla | Assistant Professor |
| 3. Mr. Parthapratim Saha | Assistant Professor |

➤ **Student Strength:** The current student strength of the department is as follows:

1. **Batch of 2020-2023:** Honours- 8 and Regular- 0
2. **Batch of 2019-2022:** Honours- 7 and Regular- 0
3. **Batch of 2018-2021:** Honours - 1 and Regular- 0

➤ **Digital Class:**

1. The department has taken few digital classes (about 8-10) in the semester (Aug-Dec, 2019 and Nov, 2020-May, 2021).

➤ **Freshmen Social:**

1. The Department of Mathematics in collaboration with all other departments of the Science Stream has organized a get together program on 3rd week of August, 2019 for the newly admitted students of B.Sc. (Honours) programme.
2. The Department of Mathematics in collaboration with the Department of Physics has organized a get together program on 19th March, 2021 for the newly admitted students of B.Sc. (Honours) programme.

➤ **Teacher's Day:**

1. The Department of Mathematics in collaboration with all other departments of the Science Stream has celebrated Teachers' Day on 5th September, 2019.

➤ **National Science Day:**

1. The Department of Mathematics has celebrated the National Science Day on 28th February, 2020.
2. The Department of Mathematics has joined with other departments of Science Stream to celebrate the National Science Day on 28th February, 2021.

➤ **National Mathematics Day:**

1. The Department of Mathematics has celebrated the National Mathematics Day on 22nd December, 2020.

2. Department laboratory & library facilities

- **Library:** The departmental library of Mathematics department is equipped with more than 50 books, which cover the syllabus of undergraduate courses in mathematics as well as some competitive exams. The library is contributed by the students as well as the faculties of the department.

Guidelines for Library:

- Students can borrow two books at a time for a period of 1 month.
- Books borrowed can be renewed after 1 month.
- The library timing for the students to borrow book is 9.00am to 4.00pm on working days.
- Students can retain the books they borrowed and return them after their semester exams.
- If a student does not return the book or returns the book in damaged condition then he/she will have to either pay for the book or replace the damaged book with a new one.

- Laboratory: The department of mathematics has a well-equipped computer laboratory consisting of 10 new computers. The laboratory is well maintained and user record for the laboratory is properly maintained by the HoD of the department.

DEPARTMENT OF PHYSICS

1. Details of Department:

The department of Physics has started its course in Physics at Sipajhar college from July 2018 to promote science in the society. With 8 students enrolled in the 1st semester in 2018 it has developed to a full-fledged curriculum and now got around 38 students taking physics as major subject in different semester. At present the department is offering the B.Sc. honors as well as the pass-course curriculum in the campus. The prime motive of the department is to encourage the students to pursue knowledge and the Know-how about Physics. We have truly missioned ourselves in nourishing the scientific motivation in the new generation so that the later can flourish with the motivation of doing great to society or to the world.

Faculty members:

Dr. Mousumi Das	Assistant Professor
Dr. Tonuj Deka	Assistant Professor

2. Department Laboratory and Library facility:

Laboratory: The department of Physics has got 2 laboratories (One each for the Major and General course) and also having a separate dark room facility.

Library: We have departmental library facility, the students and teachers can borrow books from it by proper maintaining the entry logbook. There is separate student and teacher incharge who regularly monitors the library.

DEPARTMENT OF ZOOLOGY

About the department

The Department of Zoology, Sipajhar College was established in the year 2018 with the objective to spread knowledge and awareness regarding the animal world. Since its beginning, the department is continuously working for the betterment of students as well as the community as a whole. It has its own laboratory and library facilities with ample numbers of museum specimens and books. For connecting globally, the department also has high speed internet facility.

Mission:

To utilize and understand biological knowledge for the betterment of the society.

Vision:

1. To achieve excellent teaching and research.
2. To develop the student to appreciate nature.
3. To promote leadership in the field of life science.
4. To develop the attitude of the students to concentrate on applied science aspects.
5. To make students with responsibilities towards society and achieve relevance of their studies for the betterment of mankind.
6. To impart knowledge and skills in zoological science.
7. Promoting the better livelihood opportunity by implementing biological knowledge in day-to-day life and putting effort to generate manpower in sectors like aquaculture and sericulture etc.

Faculty members

| 1. Dr. Dibya Jyoti Saikia | Assistant Professor, HoD |
| 2. Ms. Mridusmita Mahanta | Assistant Professor |
| 3. Mr. Kumar Kritartha Kaushik | Assistant Professor |

Library facilities

The Department has various forms of collection, such as books, Journals & Periodicals etc. At present there are 150 collections of books, Journals and Periodicals, which cover the syllabus of undergraduate courses in Zoology as well as some competitive exams. The library is contributed by the students as well as the faculties of the department. Students can issue any books on all working days. The students need to submit the issued books within one month.

Events organized:

The Department organizes different scientific as well as extension activities in regular basis. "SANSKAR: Manu he Manu hor Babe" a programme under the Chief Minister Wellness scheme was successfully organized by the department. The initiation of the programme was done on **07-11-2020** at Jatiya Vidyalaya, Sipajhar which is a premier school in the locality. The second programme was organized on **28-11-2020** at B. J. Girls' High School, Sipajhar, which focused mainly on Women empowerment and the role of women in science and development. The third programme was organized in Nerhu Smriti Balika Bidyalaya, Hazarikapara, on **05-12-2020**. Mr. Bipul Kalita (Headmaster, Nerhu Smriti Balika Bidyalaya, Hazarikapara),

Dr. Prasanna Kumar Nath (President, Sipajhar College Teachers'Unit), Dr. Shrasti Ram Kachari (Secretary, Sipajhar College Teachers'Unit), Mr. Jagat Chandra Kalita, 'Gaonburha', Hazarikapara were some of the chief attendees of the programme. The Department organized a popular talk on future scopes of science and commerce on July 08, 2021, talk on Covid-19 cataclysm in the time of pandemic. The Department observe different days of biological importance including World Wildlife Day, Draw a Bird Day. Moreover, training on installation of Aquarium (21-02-2022) and a counseling programme on career option, opportunities and challenges was also organized by the department. The department is involved with the installation and management of vermin composting unit of the college.

Departmental initiatives for student's involvement and support:

The Department encourages the active participation of the students by involving them with different departmental activities. Moreover, participatory approaches like power point presentation, group discussion, field survey and visit along with blended learning methods are frequently used for their improvement for a ICT friendly environment.

Collaborations and exposure visit:

The department has well access to nearby college like Pub-Kamrup College and Mongaldoi College through student and teacher exchange programmes. Moreover, for benefit of the students, time to time visits have been organized to Higher institutes such as Gauhati University and other zoology related organizations like Department of Fishery, Government sericulture farm etc.

LIBRARY DETAILS

The College Library is the hub of the academic activities supporting the institution's mission of achieving excellence in education and research. All students, faculties and employees of the College are entitled to make use of the library facilities. The library also renders service to people from outside the college community after receiving due permission from the college authority. Sipajhar College has a modern computerized library with an impressive collection of books, journals, newspapers and magazines, e-resources like CD/DVD, e-journals, e-books, bibliographic databases, etc. The library with its semi-open access system and spacious reading area provides an atmosphere favorable to the excitement of mental discovery. Students are always encouraged to do the optimum utilization of the library resources by creating a user-friendly atmosphere. Moreover, each department of the College has an individual library called departmental library, which provides additional help to students and teachers in their academic pursuits. The library also provides access to e-resources to the teachers and students of the College through UGC-INFLIBNET N-List programme. The library remains open from 10 A.M. to 4 P.M. on all working days. A student will have to apply on a separate form supplied by the librarian to access the library facilities. Book-bank facilities are also offered to needy and deserving students who may borrow books for the whole academic session. However, certain official formalities will have to be followed to obtain such facilities. Such books which are issued at the beginning of the session may be kept up to the annual examination.

VISION

To serve the society with integrated state-of-the-art library & information, to build a good class of reader, to build a better society, indeed a great Nation.

MISSION

Total quality management and optimum users' satisfaction.
