### **One day student's seminar on "Emerging trends in Science and Technology" (ETST), 27<sup>th</sup> November, 2020**

Department of Chemistry, Sipajhar College is going to organize a *one day in-house offline oral presentation* amongst the *final year degree students (Science Stream) of the college* on 27<sup>th</sup> November, 2020. The main objective of the programme is to aware the students about the emerging trends in and Science and Technology, offering them a platform to express their thoughts and knowledge and encourage thereby for future endeavor. The themes of the seminar will be-

- ✓ Carbohydrate Chemistry
- ✓ Prospects of nanomaterials and its environmental aspects
- ✓ Green Chemistry & Sustainable Development
- ✓ Medicinal plants in north east and its applications

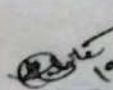

#### **Important Points to remember**

- ✓ From each department maximum three student participants can join
- ✓ Participants must submit an abstract on or before 25<sup>th</sup> November, 2020
- ✓ Participants must present their topics in power point mode
- ✓ All participants will get Certificate of participation
- ✓ Best two presenters will be awarded with certificate and bunch of books
