STATE LEVEL E-POSTER COMPETITION
Organized by
Department of Chemistry
Sipajhar College, Sipajhar, Darrang, Assam

In connection with "National Wildlife Week-2020", the Dept. of Chemistry, Sipajhar College has organized a state level "E-Poster Competition" in collaboration with "Environment and Climate cell, Sipajhar College" and "Sipajhar College Eco-Club". The programme was supported by "Assam Science Technology and Environment Council, Dept. of Science and Technology, Govt. of Assam" and Catalyzed by "Ministry of Environment Forest and Climate Change, Govt. of India.

The aim of the programme was to explore and encourage creativity in students and offer them a platform to show their skills. In response to that we asked the students to submit the poster in two categories. But we did not receive the posters as expected, even some of the posters are found to be extremely poor in quality. Therefore, we decided to organize an orientation programme on behalf of "how to prepare a poster, important skills and issues to present it". This orientation programme was held on 22-10-2020, conducted through Google Meet. We invited Dr Bibhuti Ranjan Bhattacharya from IIT Guwahati and Dr. Nayan Mani Das from Sipajhar College as the resource persons to deliver their speech. The artistic endeavor of the students was highly praised by the resource persons throughout the programme.

Finally, the presentation of the poster making competition was done on 09-11-2020. We appoint judges from various institutions to observe the posters submitted by the students and their presentation skills. Two students with best posters from each category were awarded with bunches of books.

On the basis of the evaluation by the experts from various institutes, we have come to the following results of the E-poster making competitions:

Results for category-I (Class V to VIII)

- 1st : Niribili Gogoi, Pranab Vidyapith, Karbi Anglong, Assam
- 2nd : Darshana Bharadwaj, Don Bosco High School, Mangaldoi, Assam

Results for category-II (Class IX to XII)

- 1st : Pahi Rani Goswami, C.N.B. College, Golaghat, Assam
- 2nd : Bishal Kumar, Cotton University, Assam

State level E-Poster Competition
Organized by
Department of Chemistry, Sipajhar College,
Environment and Climate Cell, Sipajhar College
& Sipajhar College Eco Club,
In connection with National Wildlife Week, 2020

"Sustaining All Life on Earth"

Registration starts from 8th October, 2020
Last Date of Poster Submission- 16th October, 2020
Submission E-mail ID: chemistrysipajharcollege2018@gmail.com
Date of Poster Presentation: 20th October, 2020

Inaugural speech
By

Dr. Pradip Ch. Deka,
Principal, Sipajhar
College

Topic for Poster Competition

1. Human-Elephant Conflict
2. Flood in Kaziranga, boon or bane
3. Unexplored forest in North East and its prospects

Categories

1. From V to VIII
2. From IX to XII

Popular talk by Expert
from ASTE Council

(Till 5:00
pm, 12th October,
2020)

Session will be

Outreach Activity by College Environment & Climate cell, Sipajhar College in Association with Department of Chemistry, Sipajhar College
Venue: Gandhi Smriti School, Hazaribagh
Date:

A day long training programme on use of different laboratory apparatus and their application in studying environmental pollution was conducted in Gandhi Smriti High School. The programme was conducted in the Science Laboratory of school itself with all the laboratory facilities available in it. Students curricularly from class VIII to X have participated in the event. Prof. Pankaj Gogoi (Principal), science teacher Bhargava Deha and many others have actively participated in the event. Dr. Asmini Kalita (HOD, Department of Chemistry), Dr. Pankaj Gogoi (Assistant Professor), & Mr. Lakshminandan Goswami (Assistant Professor), Department of Chemistry and students from 9th semester, Sipajhar have smoothly runned the entire programme.

Plantation Drive Competition
 for the betterment of society
 Organized by
 Environment and Climate Cell & College Eco Club, Sipajhar College
 (In association with Department of Chemistry & IQAC, Sipajhar College)
 For Celebrating
WORLD ENVIRONMENT DAY, 2021
 "Ecosystem Restoration"

About the competition:

1. Participants have to identify at least 10 locally available tree/planting plants and plant them in campus accordingly.
2. They have to send the photographs of all plants after plantation.
3. The participants must take care of the planted trees and after every 15 days they have to send regular report on growth of the planted trees in the form of photographs.
4. Plant varieties, growth, their environmental impact and plantation location will be the deciding factors during evaluation process.
5. School/College name and detailed residential address of the Participant should be send to the following contact below.
6. Prizes will be declared on inspection after 3 or 4 months duration.

Prizes:
 1st: INR 2000/-
 2nd: INR 1500/-
 3rd: INR 1000/-

Important: Date of first submission on or before 5th June, 2021
 Submit the photographs to

It is our immense pleasure to share some of the photographs of today's plantation drive competition that is organized by Environment & Climate Cell, Sipajhar College, College Eco Club, Sipajhar College in association with Department of Chemistry and IQAC, Sipajhar College for celebrating 'World Environment Day, 2021'.

Around 250 plants have been planted so far by the students of Sipajhar College and Mangaldai College. Along with that, Sipajhar College Student Union (SCSU), Sipajhar College Teachers Unit (SCTU) and College Office staff have also planted some valuable plants in college campus on the occasion of Environment Day, 2021. Hope these 250 saplings will have a great impact on nature in near future..

Let the peace of nature flow in our life on World Environment Day and always.. Thank you everyone for your support and participation.

Sub: MGNCRE-DHE-MoE-GoI/District Green Champion Awards- Swachhta Action Plan 2021-22- Reg.

Dear Shri Pranab Kumar Sarma ji

Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE)! We congratulate you for the keen interest evinced by you in Swachhta activities in your district.

Mahatma Gandhi National Council of Rural Education, in the Department of Higher Education of the Ministry of Education Government of India is a **nodal agency of the ministry for this effort**. MGNCRE has promoted Swachhta and Sustainability Index activities including the modalities of handling water, waste, greenery, sanitation and energy in the Higher Education Institutions and the villages adopted by them.

The Ministry desires to award **SIPAJHAR COLLEGE**, Darrang, Assam which is one of the higher education institutions in your district for its green endeavours in our District Green Champion Awards. **In this regard we would like you to award this institution** a certificate (attached) at your esteemed office. The date and time of the certificate awarding could be fixed as per your convenience and the institution's office. This will add the much-needed impetus and encouragement to the Higher Educational Institutions in the district.

In this regard our Project Coordinator Shri P. Sudheer Kumar, Cell 8008734064/ B S C Naveen Kumar 7660802102 can be reached for all clarifications. A copy of this letter is attached with the District Green Champion Institution.

Thanking You.

Yours sincerely,

Dr. W G Prasanna Kumar
